I just wanted to let you know how awesome you and your staff are! You did an amazing job and we were extremely impressed with the food and the services of Figs and Honey. Julia and her team were on time, extremely helpful, friendly, professional, and they truly went above and beyond to help make our event a success. Everything was excellent! You all also received rave reviews from the attendees and one of our colleagues inquired about potentially using your services for some upcoming events this summer with his program. Again, great job and we'll see you next year, if not before then.
